

# SIENNÁ . . . DEBUT EP AMBIENCE

## FEATURED on PHILIPS ELECTRONICS -WORLDWIDE!

SIENNÁ is, together with BentMusic artists, featured on Philips' MP3 Players, MP3 Phones, diverse Multimedia Devices being sold to millions worldwide! The 1<sup>st</sup> single from debut EP AMBIENCE "Frame the Moments" is preloaded & ready to roll on the audio devices!

## FEATURED also on diverse REVUES & THEATRES

*"It gets groove on with an insistent thumping beat"* (Playback STL Magazine)

*"The blend of various elements makes the CD interesting, not only for the conscious electronica lover, but also for them who originally think this type of music as stagnating"* (Oppland Arbeiderblad)

- AMBIENCE is a cutting-edge debut E.P. released from acclaimed Norway-based Japanese techno-tronica artist SIENNÁ.
- Produced & mixed by Abòn - a genuine multi-talent discovered by Norwegian guitar maestro *Ronni Le Tekro* (TNT, Rypdal & Tekro, Vagabond etc.)
- All 5 tracks were written by SIENNÁ with guest artists.

## EAST MEETS WEST in a MOODYBLUE CHILL-OUT BLEND!

AMBIENCE is a successful electronic blend of relaxing & experimental soundscape with housey dance-club beats spiced up with blues-rock guitars & hammondish piano riff. The style is described as an "oriental version of Goldfrapp collaborates with *Underworld* & *Future Sound of London*".
