

## SIENNÁ - CD launch & premiere showcases in London -

Japanese electronica-club-nujazz artist **SIENNÁ** will celebrate the UK launch of her 1<sup>st</sup> full-album "A Pure Land" with the premiere live appearances on Monday, November 17th at *Chinawhite* in London.

Why particularly London? Because she has daily received a great amount of online interest particularly from the U.K. in the past few years. And also, because she grew up with music from the U.K. She feels honored to be able to present her music live in London - the capital of the world's finest music.

SIENNÁ will perform live accompanied by Norwegian producer, guitarist *Abòn* and keyboardist *Kristian Wentzel* whose skills will set the pace for a great night of groovy electronic music. Yoko & John may be getting married again on her moodyblue dancefloor where east meets west in music?

In addition, there will be up to 100 giveaway gifts at the exclusive live appearances in London.

*Chinawhite* is located at 6 Air Street, Soho/Piccadilly Circus, W1B 5AA. Please email [abonrecords@gmail.com](mailto:abonrecords@gmail.com) as soon as possible for guestlisting your name!

### About Album "A Pure Land"

The album is a compilation of freestyle electronica-based nu-jazz on clubbing grooves where her Japanese background & her favorite European style of electronic music are successfully blended in an untraditional way. It reflects her cultural identity after living in Europe for 13 years. SIENNÁ's sound has been compared to the likes of Yellow Magic Orchestra (Y.M.O.), Goldfrapp, Ryuichi Sakamoto, Eat Static, The Future Sound of London and Underworld.

The CD features Nils Petter Molvaer (Norway), Abòn (Norway), Juju & Jordash (Netherlands), Stefano Panunzi (Italy), Hector Ramirez Tato (China). It is available at the major online music stores like iTunes, Napster, Yahoo, Amazon, Rhapsody etc. Otherwise, the list of distributors at <http://www.sienna-web.com/SIENNA-webEnglish/webshop.html>

### About SIENNÁ

SIENNÁ is a composer, keyboardist and vocalist. She was born in Kyoto,

Japan. She moved to Norway in 1995 as a graduate student, completed her Master's program in cultural sciences at the University of Bergen in 2004. In the same year, her musical talent was discovered by Norwegian cutting-edge producer Abòn. She could then focus towards her old childhood dreams of music.

She has released 1 EP "Ambience (2005)" and 1 LP "A pure Land (2008)" to date, and has plans to release the 2nd LP in the spring of 2009. One of the tracks was featured by Philips Electronics, and pre-loaded on Philips MP3 players & audio-devices for worldwide distribution during the year of 2006. It was also demonstrated in stores on a worldwide campaign for Philips recent MP3 product "Go Gear". The new album is on its way in the spring of 2009.
