Sienná – Ema

September 30, 2026 James Kerr No Comments

Oslo, Norway-based pop artist Sienná has unveiled her new album, *Ema*. Sienná is a talented artist who made waves in 2023 with her highly acclaimed album, *Wa-Kei-Sei-Jyaku*. Her latest release, *Ema*, is a captivating 9-track project that blends elements of art pop, world, and electronic pop. Dazzling synths, wavy pads, and atmospheric textures immerse the listener in an array of avant-garde soundscapes. Dreamy vocals flutter along the production with hypnotic melodies. The combination results in an enchanting journey through cinematic vibes and experimental composition that juxtaposes a technology driven AI era. Sienná's new album, *Ema*, is a spectacular experience and the perfect addition to any dream pop playlist. Learn more about Sienná on Bandcamp and listen to *Ema* below.

Ema by Sienná was released to digital streaming platforms on September 23rd, 2026, and is now playing on Indie Pop Hits.
